Rules - The 2011 National Federation Track and Field Rules and Records and the 2011-12 WIAA Handbook shall be used. The Games Committee will rule upon any situation or interpretation not covered in the rulebook.

USE OF ATOMIZERS/INHALERS (as per National Federation rule) A letter or note from a doctor must be presented to the meet director or designee before the race documenting the need of the athlete to use the atomizer/inhaler during competition to ensure his/her safety. Without a doctor's statement, the athlete may only use the atomizer/inhaler prior to and after competition.

Jury of Appeals - Any problems that arise before or during the meet should be brought to the attention of the Meet Referee. The Referee's decision may be appealed to the Jury of Appeals. The Jury of Appeals will be composed of experienced cross country officials and coaches. PROTEST FORMS WILL BE AVAILABLE AT MEET HEADQUARTERS.

Uniforms - Contestants shall wear only the uniforms authorized by their school. If there is more than one contestant for a school, uniforms must be alike. Shoes are required. . Remind your athletes of the rules pertaining to jewelry (NONE can be worn including Live-Strong and string woven bracelets), T-shirts, spandex, etc (SAME SINGLE COLOR if worn by more than one team member).

Numbers - A competitor must wear a contestant number on the front of the uniform before being allowed to compete.

Lane Assignments

- A random draw for lanes will be made prior to the meet by the Games Committee.
- All individual runners from a League/Sub-District will be placed in a single lane in order of their finish in the League/Sub-District meet and teams will draw for lanes. If more than six (6) individual runners qualify from an individual League/Sub-District, lanes adjacent to the league/sub-district's lane will be used to accommodate these additional runners.
- Lanes will be wide enough to accommodate at least three (3) team members across the front row.

Timer on the Course - A clock will be placed at the one (1) mile point to display times during the meet. No other timers will be permitted on the course.

Scoring Procedure

- a. A runner will be scored for his/her individual and team place. Each runner must wear a number. At the end of the main finish chute, meet officials will remove the tear-off portion of the numbers in order of finish. Any runner not displaying his/her number plainly will be disqualified.

Coaches: Train runners to run through the finish line and into the chute. Runners must cooperate with finish line personnel. Diving at the finish line may be judged an impediment to other runners and result in disqualification of the diving runner.

- b. Runners and coaches are to stay clear of the official timer at all times during the race. Coaches may request a copy of the race results prior to the meet and pick it up before leaving the site. Each runner will be timed and copies of the complete meet results will be posted at www.wcd3.org, and www.athletic.net. There will be two official video cameras placed at the finish for back up. No other video will be considered, and review of any videotape will be by the referee and the jury of appeals only.

Scoring

- a. The team score shall be determined by totaling the points scored by the first five (5) runners of each team to finish. If fewer than five (5) runners finish, no score shall be listed. Individual finishers will not be counted in team scoring.
- b. Ties will be broken as follows: Ties in team scoring shall be resolved by comparing the 6th place finishers from the teams that tie. The team with the best 6th place finisher shall prevail. If a team does not have a 6th place finisher, the team with the 6th place finisher will prevail. If only five (5) competitors finish for both teams that tie, the team scoring shall be resolved by totaling the scores of the first four (4) finishers.

Award Presentations - Trophies, medals and ribbons for each race will be presented approximately 50 minutes after the conclusion of the race.
